HEH-HEH: YOU SAID "MAKE OUT".

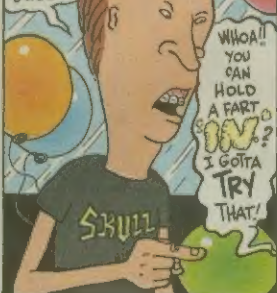

I'M STARTING TO FEEL BLOATED WITH GAS ALREADY...

EH HEH-HEH NO MORE THAN USUAL, THOUGH.

YOU BETTER HOLD THOSE FARTS IN FOR THE PARADE, DUDE!

WHOA! YOU CAN HOLD A FART IN? I GOTTA TRY THAT!

UM, SORRY... WE'RE GONNA HAVE TO STICK YOU IN THE REAR OF THE PARADE.

WH, WE'LL BE FLOATING IN A MINUTE, SIR.

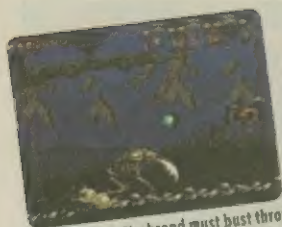

YEAH! HEH-HEH WE'RE FULL OF GAS!

In the graveyard, Firebrand must bust through Belth's claw to recover the Crest of Fire.

Before he may enter the Demon Realm, Firebrand must confront Somulo, the dragon gatekeeper.

ALL HELL IS ABOUT TO BREAK LOOSE.

Firebrand morphs into the Tidal Gargoyle. In an effort to shoot the Holoturion snail.

Your spine will tingle as you enter the terrifying Ghoul Realm, where the evil Phalanx has hidden the magical, powerful stones of the Demon's Crest in his plot to form a destructive empire. Their return is up to you and Firebrand, a flame-spitting gargoyle who morphs into unique and powerful forms—each with startling attacks and powers. To restore peace, you must conquer Phalanx and his minions on seven treacherous levels by collecting weapons, gems and treasures. It's a hell of a way to have fun.

ProFile SCOTT LOBDELL

For the past several years, Scott Lobdell has been quietly toiling away each month as the writer of the **NC AND X MEN**. This year he's reached Marvel's biggest title of the year with a new, multi-book **GENERATION X**. Scott, who works as a director of animation and has written for *Marvel*, *gettin' started* with a few guest books with *Generation X* and *WHAT THE* and *Marvel Comics*. He didn't know he'd be writing for *Generation X* until he was asked to write the first issue. As a writer, he's a must-read writer. We've had him before in the office. He's a real return on our calls.

Where and when were you born?
With my mother, on my birthday.
Which Marvel Comic would you most like to work on?
The Captain Ultra swimsuit edition.

Who are some of your favorite performers?
Michael Espinoza, actress, torch song singer, and best friend.
How long have you been in the business?
What's a 5.1?

What comics have you worked on in the past?
I was head of the comic book division on *X-MEN* 2099 B.C.
What is the oddest piece of clothing you own?
Everything. Honest.
Heard any good jokes lately?
Yes.

What's the one thing nobody knows about you?
I was a high school student in "My Fair Lady" opposite Broadway star Melissa Etheridge.

Who do you think is funny?
Michael Espinoza, I saw him in a Steven Seagal's Dennis Hopper's office. I was a high school student.

How is *GENERATION X* different from the other *X*-titles?
The *X* comics are the only ones that are not about the X-Men.

What's your friend Gilbert Gottfried really like?
He's a real funny guy.

Which Marvel staffer does the best impression of you?
Mike Hockwitz, but Mark P. Harris tries really hard.

THE HYPE Box

"We've got a real potpourri of stories this year," said Associate Editor Sarra Mossoff, beaming about this year's **MARVEL HOLIDAY SPECIAL**. Sarra noted that all the stories deal with the "no day spirit" and that the creators come from a different place in the spectrum of *Generation X*.

The lead feature is a festive *Beast* comic story by Kurt Busiek and James Fry. Also included are a Santa-mic Silver Surfer saga by Marc DeMatteis and Rick Leonard, a *Iron Man* Captain America miniseries by John Ostrander and Tom Mandrake, a *Yuletide* thing tale by Greg Wright and Mike Manley, and rounding out the package is a cute little *X-Men* story, *The Night Before X-Mas*, by Karl Bollers and Sal Buscema. The issue features a cover by George Perez! Sarra concluded by saying that she is "real excited" about this year's **HOLIDAY SPECIAL**, and that it left her with "a warm fuzzy feeling." Buy a copy for yourself, and stuff a copy in your friend's stocking, too. Help spread that warm, fuzzy feeling!

HULK #425, on sale this week, features a new art team! A new direction! A new incarnation of the Hulk! All in a double-sized issue printed on deluxe glossy paper with a special hologram cover! According to editor Bobbie Chase, "Writer Peter David orchestrates the whole thing while artists Gary Frank and Cam Smith conduct the first half, then pass the artistic baton onto Liam Sharp and Robin Rigg. It's a moving symphony with a shocking finale!" Sounds Hulkemic to us!

MARVEL WANTS YOU TO BE CAPTAIN UNIVERSE IN YOUR OWN X-MEN COMIC!

the most powerful super hero in the galaxy... a power that can join with any entity...

That's right - we'll turn you into Captain Universe so you can fight evil side-by-side with the X-Men! You'll also get a personalized Captain Universe trading card with your name and stats, and a personalized, double-sided poster, all for just \$14.95*.

How to Win It

Through the Mighty Marvel miracle of technology, the entire comic book will be personalized with things like your first name, last name, home town and even the name of a friend or loved one who'll take part in your adventure. There are two versions, one male, one female, so you end up being the right kind of Captain Universe. And unlike those ugly, old-fashioned personalized kiddy books, your Marvel X-Men comic will look just like it was hand lettered by a seasoned bullpen veteran.

Don't Miss Out on This Amazing Gift

This book makes the most marvelous, must-have present a comic fan could get. Make them the star of the book and use your name as the friend or loved one - they'll never forget you. Hey, why not give one to that closed-minded person who gets on your case for reading comics? Seeing themselves as a super hero might just get them to cut you some slack!

How to Order

To order your personalized X-Men comic, either go immediately to your nearest comic book retailer or call 1-800-830-6079. No limit - order as many as you like! Each comic is \$14.95 + \$2.95 S&H. MC, VISA, AMEX, DISCOVER, DEBIT cards, checks or money orders, no cash accepted. Orders postmarked by 1/31/95 will be mailed directly to you no later than 3/15/95. Orders containing profanity will not be processed. Discounts available for special events and group orders of 15 pcs. or more.

Wednesdays 7pm-8pm central and

Greetings, fellow culture lovers!

Principal McVicker has informed me that Beavis and Butt Head have cut school again (though I tend to believe their usual excuse that they just forgot). Consequently, they have left me the task of answering your merry missives, which they handed to me in lieu of their last term paper...

DEAR BEAVYS AND BUTT HEADS:

you guys are the coolest of them all! You guys rule and kick ass & have all your comic books. They also rule and kick-ass, but I would want to know what the hell is that Stewart and Yams are all over the place? (that Huh I said would)

My butt size is 9 inches by centimeter

Jeffrey Troiano

Secret Agent can not expose address (Huh Huh I said expose)

Yams are vegetables which mother earth has provided to sustain her children. Now, Stewart is a kind-hearted young man with hopes and dreams, just like the rest of us and he should be respected

Frank, I know Beavis and Butt-head can be difficult at times, but they are people too. Remember, we are all tenants of this building we call earth, and we all pay the same rent.

HEY, GUYS!

HERE'S AN OLD TRICK, THAT'S ALWAYS GOOD FOR A FEW LAUGHS. ALL YOU NEED IS A SHEET OF PAPER + A QUARTER. PUT THE QUARTER ON THE FLOOR + WAIT FOR SOMEONE TO BEND OVER TO PICK IT UP. WHEN THEY DO, RIP THE PAPER IN HALF! THEY'LL THINK THEY TOOK THEIR PANTS! MUHA HUH UHH ANNH UNNNH! COOL! THEY'LL GRAB THEIR BUTT!!! MUHA UHH HUH!

JEFF SWANSON
SEATTLE WA

Ha-Ha! Okay, Jeff, practical jokes can be funny. You know laughter is good for the soul, as long as it's not at another person's expense.

Dear Beavis and Butt-Head,

Hey you guys really suck. I just wanted to tell you that the next time I see you I am going to beat the Hell out of you two!

see ya
wouldn't want
to be ya!

Butt size-UNKNOWAN

ZACK BAKO

Niles, Ohio

It's good to express your emotions. You should let your feelings out, but try to vent your anger creatively, maybe through song.

Dear Beavis and Butt-Head,
You guys really suck and you also are the ugliest teenagers I have ever seen. I hope you all spend winter break and I think about this letter. Beavis suck! Butt suck! Stop sucking, stop sucking!
Ryan McElroy
Chickadee, CA

Bravo, Ryan! It's great to see young people express themselves through art.

Dear Beavis and Butt-Head,
I'm not like good in school and I want to know how to be better and stuff.
and tell me some insults!

Jimmy Nozzi

PS: MY butt's normal.

NEXT ISSUE:

It's just fantastic that you want to do better in school, Jimmy! Keep up with your home work, study hard, take a break every so often and go enjoy nature. The healthier you feel, the sharper your mind! Now consider why you want to insult a person. You should try to settle your differences without verbally abusing someone.
